C U R R I C U L U M V I T A E

Allen D. Glenn
College of Education
University of Washington

Office: 122 Miller Hall, Box 353600, Seattle, WA 98195-3600
(206) 221-4790 -- Email: aglenn@u.washington.edu --FAX (206) 685-1713
Home: 6220 N.E. 193rd St., Kenmore, WA 98028-3360 (425) 483-1276

EDUCATION

Ph.D. Education	1970	University of Michigan
M.A. Education	1970	University of Michigan
M.S. Political Science	1968	Kansas State Teachers College
B.A. Political Science/History	1964	Ottawa University

PROFESSIONAL EXPERIENCE

University of Washington

- Director, Ackerley Network for Teacher Professional Development, 2006-2008
- Interim Director of Teacher Education, 2002-2003
- Dean, College of Education, 1989-2000
- Professor, Curriculum and Instruction, 1989-

University of Minnesota

- Associate Dean, Academic Affairs, 1986-89
- Chair, Curriculum and Instruction, 1984-86
- Professor, Curriculum and Instruction, 1980-89
- Associate Professor, 1973-80
- Assistant Professor, Secondary Education, 1971-73

Prior to University Employment

- Assistant Director, High School Curriculum Center in Government, Indiana University, 1970-71
- Visiting Assistant Professor of Education, Indiana University, 1970-71
- Research Assistant, Office of Research Services, School of Education, University of Michigan, 1969-70
- Instructor, Social Studies Education, University of Michigan, Flint, spring quarter 1969

September 14, 2023

- Teaching Assistant, Political Science and American History, Kansas State Teachers College, 1966-68
- Unified Studies Teacher, Broad moor Junior High School, Shawnee Mission School District, Shawnee Mission, Kansas, 1964-66
- American Government Teacher, summer sessions, Shawnee Mission School District, Shawnee Mission, Kansas, 1964 and 1965

DISCIPLINED INQUIRY

Forthcoming

Allen D. Glenn, David Imig, and Dale Anderson. "Where Do We Go From Here?" in *Issues in Teacher Education*. Editors: Cindy Lassonde, Robert Michael, and Jerry Rivera-Wilson. Springfield, IL: Charles C. Thomas Publishers, 2008.

Published Tests

John J. Patrick and Allen D. Glenn. American Political Behavior Achievement Test. Lexington, Mass.: Ginn and Company, 1974.

Papers and Presentations at Professional Meetings

"It's Really About Teaching and Learning." Keynote address to the California League of Middle Schools, Monterey, California, January 16, 2005.

"Technology and Teacher Education in the United States: A Perspective on Trends and Issues" at UNESCO's Experts Meeting on Teachers/Facilitators Training on Technology-Pedagogy Integration. Bangkok, Thailand. June 18-20, 2003.

"Technology and Organizational Change." Moderator, 2003 American Association for the Colleges of Teacher Education Special Institute sponsored by Microsoft, January 23, 2003, New Orleans, Louisiana.

"Enterprise in Technology" Invited Paper at the National Technology Leadership Summit, Bermuda, October 19-26, 2002.

"Teacher Education and For-Profit Providers". Moderator, American Association for the Colleges of Teacher Education (AACTE) workshop, New York City, February 22, 2002.

"Instruments to Measure Teacher Performance: Washington State" the Japan United States Teacher Education Consortium (JUSTEC) Meeting, University of Puget Sound, August 5, 2001.

"Thirty Years and Some of the Same Issues" at the Annual Conference of the National Council for the Social Studies, Washington, D.C., November 17, 2001.

September 14, 2023

“Implications of For-Profits On Teacher Education,” American Association for the Colleges of Teacher Education (AACTE) Annual Meeting, Dallas, Texas, March 1, 2001.

AACTE New Deans Institute, Presenter/Instructor. Cupertino, California. June 24-30, 2000.

AACTE Leadership Institute for Department Chairs, Presenter/Instructor. Miami Beach, Florida. May 20-23, 2000.

“Building and Using Data.” Presenter/Instructor for the AACTE Leadership Institute for Department Chairs. San Antonio, Texas. May 23-26, 1999.

“Data and Resources.” Presentation to New Deans Institute, American Association of Colleges for Teacher Education (AACTE), Annapolis, Maryland. July 21-26, 1998.

“Teaching Reform: Linking the Means to the End.” Concurrent session, Panelist-Presenter, Education Commission of the States (ECS) Annual Meeting, Portland, Oregon. July 6, 1998.

“Transforming Teacher Education to Provide a Quality Education for All Children.” American Association of Colleges for Teacher Education (AACTE): State Leadership Institute. Portland, Oregon. July, 1998.

“A New Educational Collaborative.” Japan-United States Teacher Education Consortium (JUSTEC) Conference and Symposium, “Supporting Parents and Teachers.” Bukkyo University, Kyoto, Japan. June 25-27, 1998.

“Technology and the Continuing Education of Classroom Teachers.” The International Perspectives on Teacher Education Consortium Annual Meeting. Naruto University of Education, Naruto, Japan. July 15, 1996.

“The Case for Telecommunications in K-12 Education.” Northwest Regional Educational Laboratory, Regional Invitational Policy Conference, Affordable Telecommunications Costs for Schools. Seattle, Washington. April 1995.

“Social Studies Methods: A Survey of Content.” National Council for the Social Studies conference, Anaheim, California, November 1990.

“Use of Electronic Data Bases in Social Studies Problem Solving.” National Council for the Social Studies conference, Anaheim, California, November 1990.

“Developing an Effective Model for Instruction.” Minnesota Educational Effectiveness Program. St. Paul, Minnesota, December 1989.

September 14, 2023

“Dreams of Computing vs. Reality of Classroom Computing: Teachers, Technology, and Instruction.” MECC conference, Minneapolis, November 1988.

“The Holmes Group Proposal: Developing New Alliances with Universities in Preparing Preservice Teachers.” Annual meeting of the National Council for the Social Studies, Orlando, Florida, November 1988. (With Carol L. Hahn and JoAnn Sweeney.)

“Teacher Education: An Assessment and Some Thoughts About Tomorrow.” The 1988 North Dakota Association of Teacher Educators, Fargo, May 1988.

“Integration of Technology in Schools: Impact on Decision Makers.” Keynote address for the Michigan State Board of Education/Wayne County Intermediate School District, Detroit, May 1988.

“Review of the Research on Effective Instructional Strategies.” Educational Effectiveness Conference, Minnesota Department of Education/Mellon Foundation Grant, Brainerd, Minnesota, April 1988.

“Current Status of Preservice and Inservice Technology Training for Teachers.” The 1988 American Education Research Association annual meeting, New Orleans, April 1988. (With Carol A. Carrier.)

“Findings and Implications of Research on Computer-Based Education in the Social Studies.” The 1988 American Education Research Association annual meeting, New Orleans, April 1988.

“Technology and Schools: Implications for Administrators.” Education Connections, Apple Education Conference, Pittsburg, Dallas, and San Francisco, March 1988.

Chair and critic for session on “Student Teaching” at the annual meeting of the American Association of Colleges for Teacher Education, New Orleans, February 1988.

“The Teacher's Role in Technology.” Annual meeting of the American Association of Colleges for Teacher Education, New Orleans, February 1988. (With Carol A. Carrier.)

“Technology Training of Teachers.” Conference on technology in education sponsored by the Office of Technology Assessment, U.S. Congress, Washington, D.C., September 1987.

Chaired session for “New Deans” at the annual meeting of American Association of Colleges for Teacher Education, Washington, D.C., February 1987.

Chaired session at the International Peace Conference, Bangkok, Thailand, November 1986.

September 14, 2023

“Videodisc in Social Studies.” Annual meeting of the National Council for the Social Studies, New York, November 1986.

“Preparing Tomorrow's Teachers: Recommendations for Changes in Teacher Education.” State Department of Education Conference on Improving Professional Development, St. Paul, October 1986.

“Classroom Strategies for Computer Simulations.” The T.I.E.S. Conference, Minneapolis, February 1986.

“Computer Simulations.” Panel presentation at the annual meeting of the National Council for the Social Studies, Chicago, November 1985.

“Using Computer Simulations in Social Studies.” MECC 85, Minneapolis, November 1985.

“Computers and the Instructional Process.” Keynote address, Saskatchewan Association for Computers in Education Convention, Regina, Canada, November 1984.

“Instructional Design Guidelines: Integrating Technology with Traditional Approaches.” North Central Computer Institute, Ames, Iowa, October 1985.

“Political Science in the Social Studies Curriculum.” The fall convention of the Minnesota Council for the Social Studies, White Bear Lake, October 1984.

“The Impact of Technology on Education.” Invited address, spring convention of the Minnesota Council for the Social Studies, St. Louis Park, Minnesota, March 1984.

“Social Impact of Technology.” The Detroit Public Schools Critical Issues Series, March 1984.

“Teaching Kids Problem Solving Using Computers and Videotape,” and “Interactive Videodisc and Microcomputers in Economics.” Regional Technology Conference, St. Louis, February 1984.

“Computers in the Classrooms: What's Happening.” Keynote address, Regional Technology Conference, St. Louis, February 1984.

“Using Video and Computer Technology to Teach Problem Solving: Solutions Unlimited.” WILL-TV, Channel 12, University of Illinois at Urbana-Champaign, November 1983.

“Using Video and Computers in Social Studies.” The annual meeting of the National Council for the Social Studies, San Francisco, November 1983.

September 14, 2023

“Technology and Tomorrow's Child.” Closing speech, the Elementary School Principal's Association of Washington State, October 1983.

“Computers as Education Tools.” Invited presentation, Lutheran Librarian Association Convention, Minneapolis, August 1983.

“The Computer: A Paintbrush, a Baton and Hammer.” Keynote address, the Wayne County Intermediate School District's technology workshop, Wayne, Michigan, April 1983.

“Social Studies and Computers.” Invited presentation, ASCD, Washington, D.C., March 1983.

“Computers and Social Studies.” Spring convention of the Minnesota Council for the Social Studies, Minneapolis, March 1983.

“Computer Literacy and Teacher Training.” MECC 1982 conference, Minneapolis, December 1982.

“Teaching Economics: Research Findings from a Microcomputer/Videodisc Project.” The annual meeting of the National Council for the Social Studies, Boston, November 1982.

“Using Computers in the Social Studies Classroom: Workshop.” The spring convention of the Minnesota Council for the Social Studies, Minneapolis, March 1982.

“Interactive Videodiscs and Microcomputers in Economics: Applications to Higher Education.” The Applying New Technology in Higher Education Conference, Atlanta, March 1982.

“Computers in the Social Studies.” The annual meeting of the National Council for the Social Studies, College and University Faculty Association, invited session, Detroit, November 1981.

“Improving the Classroom Climate in a Junior High School” The annual meeting of the National Council for the Social Studies, College and University Faculty Association, invited session, Detroit, November 1981.

“Technology and the Social Studies.” The annual meeting of the National Council for the Social Studies, College and University Faculty Association, invited session, Detroit, November 1981.

“Computers in the Social Studies.” The Midwest regional meeting of the Teachers of Mathematics, St. Paul, November 1981.

September 14, 2023

“Teaching Economics: Microcomputer and Videodisc.” The annual meeting of the Joint Council of Economic Education, Honolulu, October 1981.

“Multicultural Education and Participation in Today's Society.” The annual meeting of the National Council for the Social Studies, New Orleans, November 1988

“Direct and Indirect Methods of Teaching Problem Solving.” Research paper presented at the annual meeting of the National Council for the Social Studies, New Orleans, November 1980.

“Three Teaching Strategies for Using Role-Play Activities to Teach Problem Solving.” Research paper presented at the North American Simulations and Gaming Association Annual Meeting, Asheville, North Carolina, October 1980.

“Counselors and Classroom Teachers: Differing Views of Mainstreaming.” The Anoka County Counselors' Association, Minneapolis, October 1980.

“Multicultural Education: The Role of the College of Education.” The Midwest Teacher Corps Network Meeting, Minneapolis, April 1980.

“Evaluation of Title IV-C Projects.” The statewide planning meeting for the Title IV-C projects for the State Department of Education, Normandale Junior College, October 1979.

“Critical Reactor to Research Papers.” Annual meeting of the American Educational Research Association, Boston, March 1979.

“Instructional Strategies for Using the Computer in the Social Studies Classroom.” The annual meeting of the National Council for the Social Studies, Houston, November 1978.

“Two Strategies for Teaching Concepts.” The Midwest Regional Conference for Social Studies, Minneapolis, April 1978.

“Strategies for Effective Teacher Education.” A co-authored paper, the annual meeting of the American Education Research Association, Toronto, Canada, March 1978.

“Science and Social Studies Teachers' Attitudes Toward Interdisciplinary Topics and Value Questions.” Research paper presented at the annual meeting of the American Educational Research Association, New York, March 1977.

“Problem-Solving and Economic Learning: The Effects of Three Teaching Approaches.” Research paper presented at the annual meeting of the National Council for the Social Studies, Cincinnati, November 1977.

September 14, 2023

“Current and Future Needs for Teacher Training in Economic Education.” Co-authored, invited paper, the National Conference on Needed Research and Development in Pre-Collegiate Economic Education, New Orleans, February 1976.

“Simulations and Games in the Instructional Sequence: Four Specific Strategies for the Social Studies Classroom.” The annual meeting of the National Gaming Council, Raleigh, North Carolina, October 1976.

“Computer Simulations and Value Analysis: An Instructional Strategy.” The Midwest Regional Conference for the Social Studies, Des Moines, Iowa, February 1975.

“Computer Literacy in the Secondary Schools.” The annual conference of the Association for Computing Machinery, Minneapolis, October 1975.

“Bringing the Minnesota Poll to the Classroom.” The Minnesota Educational Computing Consortium Timesharing Conference, White Bear Lake, Minnesota, May 1975.

“The Impact of a Cross-Age Tutoring and Teaching Experience on Students' Perceptions of Teaching Skills, Teachers, and Student Learning.” A research paper presented at the 54th annual meeting of the National Council for the Social Studies, Chicago, November 1974.

“Data Based Computer Simulations: An Effective Strategy for the Values and Value Questions.” The annual meeting of the National Gaming Council, Pittsburgh, October 1974.

“Elementary School Children's Trust in Nations and Acceptance of Foreign Children.” The 50th annual meeting of the National Council for the Social Studies, New York, 1970.

Published Curriculum Projects and Curriculum Materials

EXTERNAL PROFESSIONAL SERVICE ACTIVITIES

Membership in Professional Organizations

American Association of Colleges for Teacher Education; 1989-
JUSTEC (Japan-U.S. Teacher Education Consortium), 1989-2002
Washington Association of Colleges of Teacher Education, 1989-2000
Washington Council for the Social Studies, 1989-2000
Association for Educational Data Systems, 1980-1983
North American Simulations and Games Association, 1975-1982
American Educational Research Organization, 1973-80, 1988-2001
Minnesota Council for the Social Studies, 1971-1989
National Council for the Social Studies, 1970-2006

Service to Professional Organizations

American Association of Colleges for Teacher Education

President-elect, February 1997; President and Chair, Board of Directors,
1998-1999

Member, Government Relations Committee, 1996-1999

Chair, International Education Committee, 1989-1992

American Council on Education

Member, President's Task Force on Teacher Education, 1998-1999
Instructor, Chairs Institute, 2000 -

Japan-U.S. Teacher Education Consortium

U.S. Coordinator, 1991-2002

September 14, 2023

Learning First Alliance

Member, 1997-1999

Chair, Board of Directors 1997-1998

Minnesota Council for the Social Studies

Co-Editor, *MCSS Journal*, 1971-1973

National Council for Accreditation of Teacher Education

Chair, Executive Board, July, 1997- June, 1999

National Council on Economic Education

Editorial Board for the *Senior Economist*, 1992-1993

National Council for the Social Studies

Research in Social Studies Education, *Social Education*, Board of Advisors,
1984-1987

Instructional Media Committee, chair, 1983-1984

Special Interest Group: Computers in Social Studies, chair, 1982-1983

College-University Faculty Assembly (CUFA) Executive Committee elected
to a three-year term, 1978-81; secretary, 1980-1981

Research Advisory Committee, 1974-1977

Northwest Commission on Colleges and Universities

Accreditation team member

* Idaho State University, 2004

* University of Utah, 2006

Northwest Regional Educational Laboratory

Technical Working Group member, 2005-2008

Board of Directors, 1990-1996

Executive Board, 1993-94

September 14, 2023

Society for Information Technology for Teacher Educators (SITE)

President-elect, 2004

President, 2005

Teachers Recruiting Future Teachers

Governing Board 1993

Washington Association of Colleges for Teacher Education

President, 1992-94

Major Consultantships

Ministry of Education, Commission of Accreditation, United Arab Emirates.
Review of a degree program in teacher computing. April 24-31, 2005.

University of Mississippi, Oxford, Mississippi. Review of the College of
Education, Team member. April 17-20, 2005.

University of Virginia, Curry School of Education. Teachers for a New Era,
external consultant to the renewal process. 2003.

North Central Educational Laboratory, Technology and Teacher Education Study,
Dr. Gilbert Valdez, director, research team member, September 2001-December
2003.

Annenberg/Ford Foundation, Schools of Education Research Project, Arthur
Levine, Columbia Teacher College, director, site evaluator, October 2002 -

PT3NOW, Moderator, Public Television Series produced by Sound Print Media
and WHRO Public Television, Norfolk, Virginia. Thirty-two 30 minute
television programs focusing on technology and education; also available on
<http://www.PT3NOW.org> 2001 – 2004.

State of Washington, Title II Statewide Project, Project Evaluator, January 2000-
October 2002.

U.S. Department of Education, Office of Education Research and Improvement,
Panel Member, Technology Expert Panel, 1998-1999.

U.S. Department of Education, Office of Educational Research and Improvement,
Member, Technology Expert Panel, 1998-99.

September 14, 2023

Sheldon Jackson College, Sitka, Alaska. Consultant on ACLS Grant. Initial visit September 15-16, 1997-1999.

Office of Technology Assessment (OTA), Science, Education and Transportation Program, Congress of the United States: Advisory Panel/*Teachers and Technology*, Chairperson, September 1993-January 1995.

INTEL Computer Corporation, December 1987 - 91

Minnesota Educational Computer Corporation: GEOGRAPH, geography database courseware, November 1987 - June 1988.

Agency of Instructional Technology, social studies consultant for Economics Education/Computer Project, 1984-85.

Agency for Instructional Television (AIT), social studies consultant for "Advancing the Use of Computers in the Schools: Video and Microcomputer for Teaching Problem Solving," 1982-84.

Agency for Instructional Television (AIT), social studies consultant for Advancing the Use of Computers in The Schools: Video and Microcomputers for Teaching Problem Solving, Bloomington, Indiana, September 1982 - September 1983.

Minnesota Educational Computing Consortium (MECC), Videodisc/Microcomputer Project on Economics, Minneapolis, September 1982 – September 1983.

Control Data Corporation, Computer Literacy Project, Minnesota, November – December 1982.

Minnesota Educational Computing Consortium, NSF Computer Literacy Modules Project, summer 1981.

Minnesota Educational Computing Consortium, Videodisc/Economics Project, January-June 1980. Project funded by Rockefeller Family Foundation.

Agency for Instructional Television, Bloomington, Indiana. September 1977-January 1978.

3M Company, Tests in the Social Studies Project, Minneapolis, Minnesota. 1975-76.

September 14, 2023

The Biomedical Interdisciplinary Curriculum Project, July-September 1974. Dr. William Hering, director.

Population Education Project, Indiana University, Bloomington, Sept. 1973-June 1974. Dr. Jerry Brown, director.

Workshops, Inservice Presentations, and Speeches

“Decisions, Budgets and Data.” AACTE Chairs Institute, San Juan, Puerto Rico. April 28-May 3, 2007.

“Decision Making Strategies.” ACE Chairs Institute, San Diego, CA. February 23-24, 2007.

“It’s About Teaching and Learning.” Keynote address at Zayed University, United Arab Emirates, April 29, 2005.

“Educator Preparation and Technology.” Keynote to the University of Toledo College of Education, Toledo, Ohio, March 17-18, 2005.

“It’s Really About Teaching and Learning.” Keynote address to the California League of Middle Schools, Monterey, California, January 16, 2005.

“Future of Teacher Education: A Journey Through Teacher Education Renewal.” Keynote to the National Louis University, December 9, 2004.

“Technology in Teacher Education.” Keynote for Ohio University PT3 Grant. Athens, Ohio, January 12, 2003.

“Technology and Teacher Education” Keynote for Making Technology Work in Our Schools: A Forum for Educational Leaders & Decision Makers. City University of New York, October 4, 2002.

“Integrating Technology Into Teacher Education.” PT3 Grant. Indiana State University. Terre Haute, Indiana. September 23 – 24, 2002.

“Finally, Teaching and Learning” Keynote for Preparing Tomorrow’s Teachers To Use Technology (PT3 Grantees Meeting, Washington, DC, July 25, 2002.

“Leadership, Technology and Teacher Education” SITE Conference, Nashville, Tennessee. March 22, 2002.

“Teaching in a Connected World” James W. Miller Address, St. Cloud State University. St. Cloud, Minnesota, March 18, 2002.

September 14, 2023

“Technology and Teaching: Teaching Is More Important” Keynote for Second Annual Meeting of Geographic Information Systems, San Bernardino, California, June 22, 2001.

“Teaching and Technology” Keynote for Association of Liberal Arts Colleges of Teacher Education (AILACTE) Conference, Sheboygan, Wisconsin, June 18, 2001.

“A Common Heritage” Graduation Address. Montana State University, Billings, May 4, 2001.

“Partnerships Meet the Challenge” Keynote for Southeastern Regional Holmes Group Meeting, Myrtle Beach, South Carolina, March 23, 2001.

“Our Expectations for Schools in the 21st Century” Keynote for Arlington School District’s Celebration Day, March 16, 2001.

“Putting the Pieces Together in a Sea of Change” Keynote for First Annual Statewide Change, Sioux Falls, South Dakota, September 7, 2000.

“Leadership and Technology” Keynote for Iowa State University, Regional Conference on Educational Leadership, September 7, 2000.

Commencement Address, Ottawa University, Ottawa, Kansas. May 14, 2000.

“Caught in the Middle: Creating Workable Solutions.” Presentation to Praxis Client Invitational Meeting, ETS: Division of Teaching and Learning, Princeton, New Jersey. April 5-7, 2000.

“Expectations About Education.” Invited Address, The Guarnaschelli Lecture Series, Bellarmine College, Louisville, Kentucky. March 29, 2000.

“It’s Pedagogy, Not Technology.” Keynote for the Texas Computer Education Association, Austin, Texas. February 7-10, 2000.

“Colleges and State Departments: Creating Stronger Partnerships.” Keynote for the Western States Certification Conference, Tucson, Arizona. January 13, 2000.

“The Impact on Pedagogy of Multimedia Technologies.” Keynote to the Taipei International Conference on Education, Taipei, Taiwan. December 10, 1999.

“Shaping the Future: Realities and Hard Choices.” Comments from the 1999 Presidential Address (AACTE). Invited address to the UCET Meeting, Market Bosworth, England. November 18, 1999.

September 14, 2023

“Common Themes Across National Standards for Teachers.” Keynote for The 1999 Fall Conference, “Standards Across the Education Continuum.” California Council on the Education of Teachers (CCET), San Diego, California. October 28, 1999.

“But, Aren’t we Working on That?” Invited Presentation to the Minnesota Teacher Education Congress IV, MACTE. Minneapolis, Minnesota. October 13, 1999.

“It’s Philosophy, Not Technology.” Keynote for the Iowa ASCD and ITEC Joint Conference. Des Moines, Iowa. October 10-12, 1999.

“Technology, Classrooms, and Learning.” Preconference Workshop for John Goodlad’s Institute for Educational Renewal Conference, “In Praise of Education,” Seattle, Washington. June 17, 1999.

“Colleges and Public Schools In the Next Century.” Keynote for Goals 2000 Preservice Reading Partnerships Dissemination Meeting, California State Department of Education/CalState System/Center for Improvement of Reading Instruction Co-Sponsors, Millbrae, California. April 22, 1999.

“Education Reform: Why is it so complex?” Invited presentation to UW Alumni Association, Spring Lecture Series, Seattle, Washington. April 21, 1999.

“The Tug-of-War of Educational Renewal.” Invited presentation to NASDTEC National Symposium, Seattle, Washington. March 25, 1999.

“Preparing the Next Generation of Educational Leaders.” Presentation by Dr. Glenn and College of Education Faculty and Students to the University of Washington Board of Regents, Seattle, Washington. March 18, 1999.

“Opportunities in Our Future: Strengthening the Profession.” Keynote for the South Carolina’s 1999 Educational Summit, Winthrop University, Rock Hill, South Carolina. March 5, 1999.

“Shaping the Future: Realities and Hard Choices.” Presidential Address Presented at the Annual Meeting of the American Association of Colleges for Teacher Education (AACTE), Washington, DC. February 25, 1999.

“Preparing for the Next Century.” Invited presentation of the Jones Distinguished Lecture, Emporia State University, Emporia, Kansas. February 8, 1999.

September 14, 2023

“The Conflicting Voices for Teacher Educators.” Invited presentation to New Jersey Association of Colleges for Teacher Education (NJACTE), Rutgers University, New Brunswick, New Jersey. January 21, 1999.

“Think and Dream in the Multimedia Age.” Invited presentation at Illinois State University’s College of Education observance of American Education Week, Bloomington, Illinois. November 18, 1998.

“Including the Practitioner’s Voice.” Invited presentation to National Evaluation Systems (NES) Annual Meeting, Chicago, Illinois. October 27, 1998.

“Educational Technology: Beyond the Standard Stuff.” Keynote for the NWREL’s Northwest Educational Technology Consortium (NETC) 1998 Fall Institute, Missoula, Montana. September 18, 1998.

“Data and Resources.” Presentation to New Deans Institute, American Association of Colleges for Teacher Education (AACTE), Annapolis, Maryland. July 21-26, 1998.

“Teaching Reform: Linking the Means to the End.” Concurrent session, Panelist-Presenter, Education Commission of the States (ECS) Annual Meeting, Portland, Oregon. July 6, 1998.

“Transforming Teacher Education to Provide a Quality Education for All Children.” Invited Presentation to American Association of Colleges for Teacher Education (AACTE) State Leadership Institute, Portland, Oregon. July 3, 1998.

Tutorial Session at AACTE Academy for Leadership Development, 1998 Spring Institute, “Teaching, Learning, and Technology: Transforming Teacher Education.” Nashville, Tennessee. May 13-17, 1998.

“University and School Partnerships: Entering a New Era.” Invited presentation to UW High School/College Counselors Workshop, University of Washington, Seattle, WA. April 24, 1998.

“Technology’s Role in a Preservice Teacher Preparation Program.” Invited presentation to College of Education faculty and graduate students, University of Nebraska, Omaha. April 23, 1998.

“The Use of Technology in Education.” Invited presentation to Phi Delta Kappa Chapter, Distinguished Lecture Series, Omaha, Nebraska. April 22, 1998.

“Emerging Technology: Implications for Teacher Education.” Invited presentation for the Arkansas Association of Colleges for Teacher Education (ArACTE), Fayetteville, Arkansas. April 1-2, 1998.

September 14, 2023

"Musings About Change and Renewal." Invited presentation to Washington Education Association (WEA) Conference, Spokane, Washington. March 28, 1998.

"Renewing Teacher Education: Your Memory May Be Our Biggest Obstacle to Change." Invited Presentation to WSPA (Washington School Personnel Association) Conference, Ocean Shores, Washington. March 25, 1998.

"Musings About Change and Renewal." Invited presentation, Washington Education Association (WEA) Conference, Poulsbo, Washington. March 14, 1998.

"Teacher Education and Multimedia Learners." Invited presentation, Mt. Spokane High School Staff, Spokane, Washington. March 10, 1998

"Teacher Education Renewal." Presentation to Teacher Education PEAB, Seattle, Washington, February 12, 1998.

Keynote Address, Northwest Educational Technology Consortium (NWREL) Fall Institute, Portland, Oregon. September 18, 1997.

"Teachers of the Future: The Challenges of Preparing Teachers for Tomorrow's Classrooms." Invited presentation, Ernest L. Boyer Technology Summits for Educators, Dallas, Texas. September 13, 1997.

"Teachers of the Future: The Challenges of Preparing Teachers for Tomorrow's Classrooms." Invited presentation, College of Education, University of Tennessee at Martin, Martin, Tennessee. September 5, 1997.

"Renewal in the College of Education: Preparing for the 21st Century." Invited presentation, University of Arizona, College of Education Retreat, Tucson, Arizona. August 14, 1997.

"Thinking About and Planning for Institutional Change." Invited presentation/workshop session, AACTE 17th Annual New Deans' Institute, Seattle, Washington. August 9, 1997.

"Musings About Change and Renewal." Invited presentation to Washington State ESD 113 Teachers Workshop, Olympia, Washington. June 19, 1997.

"Teachers of the Future: The Challenges of Preparing Teachers for Tomorrow's Classrooms." Invited presentation to the NCATE/AACTE Workshop on Continuing Accreditation, Washington, DC, June 13, 1997.

September 14, 2023

“Teachers of the Future: The Challenges of Preparing Teachers for Tomorrow’s Classrooms.” Invited presentation to the Ernest L. Boyer Technology Summit for Educators, University of Southern California. Los Angeles, California. April 26, 1997.

“Empowering Students for Success: Technology and Problem Solving Ideas for the Classroom.” Sheldon Jackson College Forum and Sitka School District Workshop, Sitka, Alaska. November 11, 1996.

“The Teacher’s Role: Can I be replaced by a computer?” Keynote Address, PDK Leadership Skills Institute, Waves of the Future. Sitka, Alaska. August 16, 1996.

“Higher Education and the Renewal of the Public Schools.” Presentation to the American Electronics Association K-12 Education Task Force. Allen Glenn and Terry Teale. Bellevue, Washington. July 24, 1996.

“Purpose of Public Education.” Panel Participant, Issaquah Education Forum. Issaquah, Washington. June 10, 1996.

“Teacher Education’s Response to K-12 Reform in Technology and Assessment.” Presentation to the Higher Education Coordinating Board (HECB). Seattle, Washington. March 29, 1996

“Preparing Teachers for Tomorrow.” Presentation to Des Moines-Midway Rotary Club. Des Moines, Washington. January 1996.

“Beyond Basics: The Role of Schools in a Democratic Society.” Presentation to Northwest Ethics Group. Seattle, Washington. November 1995.

“Education: What Was, What Is, and What Can Be.” Presentation, Leadership Day, Rainier Beach High School. Seattle, Washington. November 1995.

“Linking Mathematics and Science Teachers: Taking a Leadership Role.” Keynote for the Alaska State Mathematics and Science Conference. Anchorage, Alaska. October 1995.
